

Illus	Description	Year	Part No.	Illus	Description	Year	Part No.
	KITS				BUSHES & BEARINGS		
	Overhaul		150 02 01		Stator support - front		110 21 03
	Gasket & seal		150 03 01		Pump drive gear, early 0.375" wide		138 21 01
	Gaskets		150 04 01		Pump drive gear, late 0.500" wide		138 21 09
	Shaft sealing ring		150 06 01		Pump housing		110 21 01
	Thrust washer		150 10 01		Input shaft		150 21 02
	GASKETS				Needle bush - reverse sun front		110 21 06
	Chain cover		150 25 02		Sprag output race		110 21 08
	Valve body pan		150 25 05		Planetary - rear		110 21 09
	Side cover		150 25 04		Planetary sun - rear		110 21 09
	Converter housing to case		150 25 07		Driven shaft		110 21 10
	Inspection cover		114 25 06		Turbine shaft roller bearing		150 46 01
	Servo pan		150 25 06		Converter housing shaft roller bearing		150 46 01
	Engine to transmission (aluminium)		150 25 01		Output pinion tapewr roller	(2)	
	Engine to transmission (fibre)		150 25 08				
	Differential cover		150 25 03		THRUST WASHERS		
	RUBBER COMPONENTS				Front clutch hub		110 22 03
	Pump "O" ring		150 16 04		Front clutch cylinder - bronze		110 22 04
	Pump inlet pipe "O" ring		110 16 07		Front clutch cylinder - steel		110 22 05
	End sealing plate outer "O" ring		138 16 03		Sun gear plate		110 22 06
	End sealing plate inner "O" ring		150 16 03		Sun gear needle (0.062" rollers)		110 23 01
	Forward clutch outer lathe cut seal		110 17 04		Sun gear needle (0.125" rollers)		110 23 02
	Forward clutch inner "O" ring		110 16 08		Planetary plate (round with inner lip)		110 22 07
	Top & reverse clutch outer lathe cut seal		110 17 05		Planetary plate (flat with 3 flats)		110 22 10
	Top & reverse inner "O" ring		110 16 09		Planetary needle		110 23 03
	Reverse servo - small "O" ring		110 16 09		G/set double gear planets 0.870" x 0.465" x 0.016"		110 22 12
	Reverse servo - large "O" ring		110 16 04		G/set single gear planets 0.780" x 0.395" x 0.020"		110 22 11
	Intermediate servo inner "O" ring		150 16 01		CIRCLIPS		
	Intermediate servo outer "O" ring		150 16 02		Turbine shaft		138 32 01
	Intermediate servo sleeve "O" ring		150 16 02		Converter housing bearing		138 32 01
	Pinion housing "O" ring		150 16 05		Input shaft to forward clutch		110 32 04
	METAL CLAD SEALS				Top & reverse clutch plate retainer		110 32 04
	Converter - early		138 15 01		Diaphragm spring retainer		110 32 03
	Converter - late		138 15 07		Top & reverse spring retainer		110 32 02
	Differential pinion	(2)	150 15 03		HARD PARTS		
	Output shaft - early 50mm/27mm	(2)	150 15 01		Drive chain trans 393 on		150 29 01
	Output shaft - late 47mm/35mm	(2)	150 15 02		Bottom sprocket trans 393 on		150 29 04
	SHAFT SEALING RINGS				Top sprocket trans 393 on		150 29 05
	Input shaft to end sealing plate	(2)	138 26 03		Turbine shaft & bearing		150 38 02
	Clutch to centre support	(3)	110 26 01		Pump assembly		150 38 01
	Driven shaft	(3)	110 26 01		Stator support		150 39 01
	Forward sun to input shaft	(1)	138 26 02		Pump wear plate		150 38 03
	Sun gear to driven shaft	(1)	138 26 02		Pump pickup pipe		150 63 01
	Sun gear to forward clutch	(2)	110 26 04		Intermediate servo piston		150 29 06
	CLUTCH PLATES				Intermediate servo sleeve		150 29 07
	Forward friction	(4)	110 11 03		Input shim 0.020" thick		150 36 02
	Top & reverse friction	(4)	110 11 03		Input shim 0.010" thick		150 36 01
	Forward steel	(3)	110 12 01		Abutment washer		138 29 20
	Top & reverse steel	(4)	110 12 03		Input shaft		150 64 01
	Selective steel 0.053" thick		110 12 02		Input shaft locktab		138 34 02
	Selective steel 0.079" thick		110 12 05		End sealing plate		150 29 08
	Forward clutch pressure plate		110 13 02		Forward clutch hub		110 29 01
	Top & reverse pressure plate		110 13 07		End float shim		150 36 03
	Top & reverse spacer		110 13 05		Diaphragm spring - forward clutch		110 24 01
	BRAKE BANDS				Forward clutch piston		110 45 01
	Intermediate rigid 1.500" wide (TBL)		110 14 02		Forward clutch cylinder		110 29 02
	Intermediate rigid 1.500" wide (reline)		R110 14 02		Top & reverse clutch piston		110 45 02
	Heavy duty rear only		110 14 06		Top & reverse cylinder		110 29 12
	Heavy duty rear only (Borg-Warner)		110 14 06M		Sun shaft		150 65 01
	Heavy duty rear only (reline)		R110 14 06		Centre support		150 43 01
	Front or rear rigid for 0.040" undersize drum		110 14 09		Sprag clutch		138 44 01
	FILTER				Planetary gearset		138 66 01
	Cylindrical		150 27 01		Output ring gear		150 29 09
