Mark & Carl

Given the covid-19 pandemic JPAT have, very regrettably, had to make redundancies. Much appreciation to Mark and Carl for putting themselves forward for voluntary redundancy and for their loyalty, commitment, and hard work over many many years. All of us at JPAT wish them the very best for the next chapter of their lives.

Merry Christmas and here's to a happier 2021. Many many thanks for your custom this year!

BREXIT

The BREXIT transition period ends on 31st December 2020, and for a while now Bruce and Emma have been doing what they can to get JPAT ready, particularly with regards to import/export. Things are obviously very uncertain with no deal at present, but we'll do whatever we can—as information continues to be released—to make this transition as smooth as possible for customers and suppliers.
